The Prophet Muhammad initiated one of the most significant religious and cultural developments in human history, bringing the religion of Islam to the world. Adil Salahi's compelling biography traces the life of the Prophet Muhammad from his birth and childhood to the triumph of Islam and its hold on Arabia. The author sets this against a fascinating historical backdrop. His careful analysis of the Prophet's life is written with today's Muslim and non-Muslim readers in mind: Muslims will further their comprehension of their faith, and non-Muslims will come to understand the love Muslims have for their Prophet.
